It gives me immense pleasure to know that the Carpet Export Promotion Council has decided to bring out a Virtual Fair Directory on the occasion of 41st India Carpet Expo- Mega Virtual Exhibition being organized from January 27 to 31, 2021.

I am sure the Virtual Fair Directory being brought out by the organizers will incorporate valuable and reliable information for the domestic as well as overseas buyers and will enhance the image of the Indian Handmade Carpets Industry.

I extend my good wishes to the participants, buyers, organizers and all others associated with the 41st India Carpet Expo- Mega Virtual Exhibition.
