

Privacy Policy

Dubai World Trade Center L.L.C. respects your privacy and is committed to protecting it. We provide this Privacy Statement to inform you of our Privacy Policy and practices, and of the choices you can make about what information is collected, the manner in which that information is collected and how that information is used.

The dwtc.com website and its sub-domains are owned by Dubai World Trade Center L.L.C., trading as Dubai World Trade Center, a limited liability company incorporated in Dubai, United Arab Emirates, and having its principal office at Dubai International Convention and Exhibition Centre, Sheikh Zayed Road, Convention Gate, P.O. Box 9292, Dubai, UAE. Telephone: [+971-4-3321000](tel:+971-4-3321000), Fax: +971-4-3312173.

For the purposes of this Privacy Statement "we", "our" and "us" refer to Dubai World Trade Center L.L.C., "this website" collectively refers to the dwtc.com website, its sub-domains and all other websites owned by Dubai World Trade Center and "you" and "your" refer to a specific individual or program accessing these websites.

Governance

This website is governed in accordance with the laws of the Emirate of Dubai and the applicable federal laws of the United Arab Emirates. The courts of the Emirate of Dubai in the United Arab Emirates shall have exclusive jurisdiction over any dispute arising out of your use of this website.

Data automatically collected

We collect the domain name and Internet Protocol address (IP address) of the computer from which or the first identifiable computer through which you access this website automatically. This information does not identify you as an individual, but only the computer from which or the first identifiable computer through which you access this website.

This information is used to help us better understand this website's usage, so that we can improve our service to you and may also be used to provide content on this website relevant to your geographic region, including, but not limited to advertisements and promotions. We do not link information automatically collected by such means with personal information about you.

Cookies

Cookies are small pieces of information that your browser stores on your computer when requested by a website. They do not compromise your privacy or security, as each cookie can only be read by the same website that requested your browser to store the cookie.

We request your browser to store a cookie when you access this website and may request your browser to store one or more cookies when you make purchases, request or personalise information, or register yourself for certain services. Unless you explicitly opt to store additional information, our cookies only contain one or more sequential computer-generated identifiers. The cookies this website requests your browser to store are suffixed with "dwtc.com" and expire at the very latest after 365 days from the date on which they were last updated. This information is used to help us better understand this website's usage, so that we can improve our service to

you and may also be used to provide content on this website based on your previous visits, including, but not limited to advertisements and promotions. Unless you explicitly opt to store additional information, we do not link information automatically collected by such means with personal information about you. Accepting to store the cookies requested by this website does not give us access to your personal information, but we may use the cookies to identify your computer. Most browsers automatically store cookies by default, but you can choose to refuse or selectively accept to store certain cookies by adjusting the preferences in your browser. However, if your browser refuses to store cookies, some features of this website may not be available to you and some pages on this website may not display properly. You can find information on popular browsers and how to adjust your cookie preferences at the following websites:

- Microsoft Internet Explorer: <http://www.microsoft.com/...>
- Mozilla Firefox: <http://www.mozilla.org/...>
- Google Chrome: www.google.com/chrome

Additionally, browsers such as Microsoft Internet Explorer feature The Platform for Privacy Preferences (P3P) technology, which gives you the ability to make informed choices about the use of your personal information online. P3P-enabled browsers can be configured to automatically accept or refuse to store cookies, based on whether a website's P3P compact policy file meets your privacy preferences. We will make every effort to provide a P3P compact policy file for each cookie that this website requests your browser to store.

Data collection and use

When you request information through this website, we may need to know some personal information about you. When emailing us, or subscribing for information we will need your e-mail address, name and other limited personal identifiers. If you choose to purchase information, goods, products or services, we will usually require some additional limited financial details. Where you request employment related services or products we will usually need limited data about personal identifiers, education, employment, family and financial details. Your personal data will be processed to provide information, goods, products and services you request in the form that you require.

Most of this information may be used by us to enable us to review, develop and improve the services which we offer and provide you with information we think you will find valuable. Sensitive information such as your credit card details will only be used for the purpose of processing payment and will not be used for any other purposes. We will not share your details with any third party without your explicit permission, unless required by law enforcement action, or local law. You expressly agree that we can share your details with third party service providers and sub-contractors retained to perform functions or services on our behalf including but not limited to marketing and advertising: data processing and other information technology and office services. The information you submit may be transferred, stored and hosted outside of the country from which you may be accessing this website, and may be transferred to countries which do not have data protection laws or to countries where your privacy and other fundamental rights will not be protected as extensively. These and all other transmissions will remain secure and under our sole control.

If we look to use your personal data for a new purpose, beyond what it was originally provided for, we will ask for your explicit consent.

Data retention

Your data may be held after the termination of your relationship with us for the purposes of improving our services offered. We do not collect any additional information about you other than that outlined above.

Access to your personal data

You have the right to see personal information we keep about you. To enquire about accessing your personal information please send an email to data@dwtc.com, or send postal mail to the following address:

Dubai World Trade Center L.L.C.
P.O. Box 9292, Dubai, UAE

We will provide you with a readable copy of the personal data that we keep about you, within 40 days; subject to the provision of proof of your identity.

Rights for EEA Residents

If you are a resident of the EEA, the new European Union law, called the General Data Protection Regulation or “GDPR” gives certain rights to individuals in relation to their personal data. Accordingly, we have implemented additional transparency to help users take advantage of those rights. As available and except as limited under applicable law, the rights afforded to individuals are:

Right of Access – the right to be informed of and request access to the personal data we process about you;

Right to Rectification – the right to request that we amend or update your personal data where it is inaccurate or incomplete;

Right to Erasure – the right to request that we delete your personal data;

Right to Restrict – the right to request that we temporarily or permanently stop processing all or some of your personal data;

Right to Object – the right, at any time, to object to us processing your personal data on grounds relating to your particular situation or the right to object to your personal data being processed for direct marketing purposes;

Right to Data Portability – the right to request a copy of your personal data in electronic format and the right to transmit that personal data for use in another party’s service; and

Right not to be subject to Automated Decision-making – the right to not be subject to a decision based solely on automated decision making, including profiling, where the decision would have

a legal effect on you or produce a similarly significant effect.

Obligation to provide Personal Information- you do not need to provide Personal Information to use our Site. For use of our Platform you name, email and Company name may be required in order to use the software.

Please email us at data@dwtc.com for assistance with any of the above items.

Disclosure and Visitor choice

You may unsubscribe or opt-out of our services at any time. Where we disclose your personal data for those purposes stated, we provide you with the means to opt-out of disclosure by either indicating in a box at the point of the website where personal data is collected, by sending an email to data@dwtc.com or by sending postal mail to the following address:

Dubai World Trade Center L.L.C.
P.O. Box 9292, Dubai, UAE

Where we disclose your personal data for purposes, which are different to those, stated we offer you the opportunity to consent prior to disclosure.

Children

We are committed to protecting the privacy needs of children and we encourage parents and guardians to take an active role in their children's online activities and interests. We do not knowingly collect information from children under the age of 13 and we do not target our websites to children under 13.

Security

We are committed to protecting the information you provide us. We have implemented security policies, rules and technical measures to protect the personal data that we have under our control, in accordance with the laws of the Emirate of Dubai in the United Arab Emirates and the applicable federal laws of the United Arab Emirates. The security measures are designed to prevent unauthorised access, improper use or disclosure, unauthorised modification and unlawful destruction or accidental loss.

We use Secure Sockets Layer (SSL) encryption when collecting or transferring sensitive data such as credit card information. SSL encryption is designed to make the information unreadable by anyone but us. This security measure is working when you see either the symbol of an unbroken key or closed lock (depending on your browser) on the bottom of your browser window. You should be aware that no data transmission over the Internet can be guaranteed as totally secure. Although we strive to protect such information, we do not guarantee the security of any information that you transmit to us over the Internet and you do so at your own risk. If you do not feel it is appropriate to send information electronically, please contact [+971 \(4\) 3312000](tel:+97143312000) for an alternative way of conducting business.

Privacy compliance

We are voluntarily committed to a Self Assessment procedure. Data privacy legislation is subject to revision and we suggest that you regularly check our Privacy Policy.

Hyperlinks

Our websites may provide links to third-party websites for your convenience. If you access those links, you will leave our website. We do not control those websites or their privacy practices, which may differ from ours. We do not endorse or make any representations about third-party websites. This Privacy Policy does not cover the personal data you choose to give to unrelated third parties. We encourage you to review the Privacy Policy of any company before submitting your personal information. Some third-party companies may choose to share their personal data with us; that sharing is governed by that third-party company's privacy policy.

Notification of changes

We reserve the right to change our Privacy Policy at any time without prior notice. Your continued access or use of this website after such changes indicates your acceptance of the Privacy Policy as modified. It is your responsibility to review the Privacy Policy regularly. This Privacy Policy was last updated on 22 January 2013. If at any point we decide to use personally identifiable information in a manner different from that stated at the time it was collected, we will notify you by way of an email. You will have a choice as to whether or not we use your information in this different manner. We will use information in accordance with the privacy policy under which the information was collected.

Disclaimer:

The Future Blockchain Summit (FBS) (the “**Summit**”) is organised by Dubai World Trade Centre LLC as an event organiser (“**Event Organiser**”) only. The Event Organiser is not a broker, dealer or agent and is not related to or associated with any company or individual attending, exhibiting or participating in the Summit. The Event Organiser is not involved in and does not facilitate in any manner whatsoever, investments or other transactions in which any Summit participant (a “**Participant**”) may be involved, whether as an investor, broker, finder, issuer, seller of securities or otherwise. Nothing contained herein or at the Summit constitutes any solicitation, recommendation, endorsement or offer by the Event Organiser to buy, sell, invest in, trade or otherwise deal with or enter into any transactions in relation to any securities or other financial instruments. Participants shall enter into any transactions voluntarily and at their sole risk and responsibility. The Event Organiser disclaims any express or implied warranties and shall not be responsible for any damage or loss (direct or indirect) caused to any Participant or any other party in connection with the Summit.

Contacting us

This privacy policy sets out in broad terms how we handle your personal information and safeguard our privacy. If you have any questions relating to our Privacy Policy send postal mail to the following address:
