EVENTS, LAUNCHES, ANNOUNCEMENTS & DEMOS

TUESDAY 13 JUNE 2023

	Comform 5	0	
09:45	Conference Room 1	Commercial Marine Network - Get Set for Workboat 2050	The finale to Series 3, Session 5 will focus on Port Infra structure & Alternative fuels: Onshore & Offshore fuelling systems – building the fuel mosaic for future bunkering and support infrastructure. Speakers include the UKHMA, MJR Power & Automation, Oasis Marine Power, and MSE International.
09.45:	Conference Room 2	Danfoss	Presentation "Powering the Future, Today: Exploring Hybrid and Fully-Electric Vessel System Architecture and Power Converters"
10:30 11:00	Waterfront Restaurant Stand H3	: Seawork Opening Ceremony Artemis Technologies	Official opening of the 24th edition of Seawork Press briefing covering the recently launched Artemis EF-12 Escape - a high-end zero-emission water taxi providing safe, efficient, and on-demand mobility for environmentally conscious cities and exclusive resorts across the globe, using technologically advanced foils, autonomous flight control, and electric drive system.
11:30	Stand P9	Mantsbrite	Live demonstration of the FIFISH V6 Expert/V6 Plus underwater Remotely Operated Vehicle (ROV)
11:30	Conference Room 1	HM Government Session 1	HM Government opportunities & support for the UK workboat & RHIB Sector. Programme: Supporting the Workboat Sector (The National Shipbuilding Office) Intro to the Maritime Capability Campaign office (Dept for Business & Trade) UK Defence & Security Exports (UKDSE) UK Export Finance Panel Discussion with all the above
11:30	Conference Room 2	Maritime UK Solent	Maritime UK Solent Network Meeting facilitated by Lorna Wagner. Join Maritime UK Solent for their June network meeting. Speakers include representatives from the Marine Skills Centre at Southampton City College and Marine Energy Systems plus cable engineering and marine consulting services Red Penguin Marine.
12:00	Berth VB30	Goodchild	Vessel handover ceremony - ABP will receive the keys to their new ORC 171 pilot vessel
12:00	Seawork marina	Marine Energy Systems	Demonstration of the U SAFE Lifebuoy
12:30		Siemens Financial Services	Champagne Reception to launch Siemens Financial Services
12:30	Quayside stand Q40	M&H Engines (Marine & Hazardous Engines)	The European launch of M&H Engines' new EU Stage V, US EPA Stage 4 and CARB Tier 4 + DPF certified marine engines, exceeding CARB's Commercial Harbour Craft regulation 2023 as propulsion, gen-drive and auxiliary.
13:00	Conference Room 2	Maritime & Coastguard Agency	An update on the MCA codes of practice for small commercial vessels, by Rob Taylor, Code Vessel Lead, UK Technical Services Ship Standards at the MCA.
13:00	Stand Q10	HamiltonJet	HamiltonJet LTX36 Waterjet launch
13:00	Conference Room 1	HM Government Lunch	Buffet / networking lunch for HM Government session attendees
13:45	Conference Room 1	HM Government Session 2	MOD Small Boats Programme: The Ministry of Defence Small Boats Programme (Phil Gittins, DE&S Leader) The Government Small Boats Framework (DE&S Boats Team / Crown Commercial Services) Maritime Policing (Hampshire Constabulary / Thames Valley Police) Panel Discussion with all of the above.
14:00	Stand Q64	Hendy Power	Presentation of the CURSOR 16 600 Marine Engine
