About BioForward®

BioForward is OBN's 'Roadmap for Growth' Life Sciences Event. Now in its third year, BioForward 2021 will take place on **Thursday 23 September** at **The King's Centre in Oxford**.

BioForward is a full day event designed to be a practical 'one stop shop' providing leaders of growing Life Sciences companies with the knowledge, skills, connectivity, and support necessary to achieve sustainable commercial success.

If your organisation provides a service to the life sciences industry, or you are leading the commercial development of an R&D company – BioForward remains a must-attend event.

What's New

In addition to moving the event to a Central Oxford location, the packed day includes:

Four Information Panels featuring discussions on:

- Selecting the Right Board for your Business
- What's New in the UK Regulatory Landscape?
- The Benefits of Growing your Business in North America
- How to Negotiate with Big Pharma

Four Technical Sessions, Kindly sponsored by Thermo Fisher Scientific:

- Adaptive Design and Alternative Flexibility Levers for Clinical Trial Supply Chain Optimisation
- Strategies to Consider when Developing your Injectable Drug Product for Clinical Trials
- From Day One - Choosing the Right Bioprocessing Partner for Success
- Advances in Bioproduction

A packed agenda of BioLearn® training masterclasses, covering:

- The Science of Storytelling
- Social Media for Beginners
- Understanding the Drug Discovery Industry

Drop-in Clinics hosted by industry experts in Clinical Trials, Talent, Legal and Regulatory matters.

An exhibition space, in the central 'hub' of the conference where up to 25 trusted life sciences suppliers will be on hand to provide insight into their services and offer support solutions for your organisation. Companies represented will cover preclinical and clinical development, IP, regulatory compliance, insurance, facilities, manufacturing, communications, new technology and talent.

Booking meetings with prospective contacts via the 'Hello Partnering' system.

All this as well as **full catering** and plenty of opportunities for **networking** throughout the day.

Delegate Tickets

We are pleased to offer **ONE** complimentary ticket to all R&D companies who wish to attend, with a second ticket per company available at a reduced rate.

All tickets include access to all information and technical sessions, BioLearn masterclass sessions, drop-in clinics, catering, networking, and access to the exhibition and partnering.

Book your place here: www.bioforward.co.uk
For all enquiries email: events@obn.org.uk
