# OBN Awards 2021

Thursday 25 November 2021, Ashmolean, Oxford

---

The OBN Awards, now in their 13<sup>th</sup> year are a highly regarded and coveted UK awards programme for the Life Sciences industry, that aims to celebrate individuals and companies that have made an outstanding impact in their field. The Awards shine a light on companies at all stages of development, recognising inspirational leadership, exciting innovation, novel and exciting approaches to unmet clinical need, outstanding company progression and the delivery of real-life tangible results.

The twelve categories awarded on the night encompass the biotech, medtech and digital health sectors, as well as recognising dealmakers and those who provide critical support to innovators across the industry.

The 2021 Awards will be held in Oxford and will be hosted in the Roman Sculpture Gallery of the Ashmolean Museum on Thursday 25<sup>th</sup> November. Please note that the venue has a limited capacity, so if you are interested in attending, we recommend early booking to avoid disappointment.

## Evening Format

The OBN Awards start with a drinks reception, followed by a three-course meal, interspersed with the presentation of the 12 award categories. The evening will feature a professional event host, alongside an inspirational industry keynote, and further time for networking after the meal.

## Award Entry & Judging

The awards entry process is now open, with the deadline for first round entries on Friday 10<sup>th</sup> September 2021. Finalists in each category will be announced w/c 4<sup>th</sup> October 2021. Full criteria and the entry form is now available on [www.obn-awards.com](http://www.obn-awards.com) or by emailing [events@obn.org.uk](mailto:events@obn.org.uk).

Entries will be judged by a distinguished panel of independent experts from across the life sciences industry.
