Viewing & managing meetings

On the My Meetings page, you can see all your meeting requests along with the status of each.

To navigate to My Meetings, click on the profile picture in the upper right, then click on My Meetings in the drop-down menu under Networking.

On this page you can accept or decline a meeting request, as well as reschedule or cancel a confirmed meeting. It is good business etiquette to action all meeting requests that you receive.

There is both a list view and a calendar view.

The screenshot displays the 'My Meetings' interface. On the left is a navigation menu with options: Dashboard, My Favourites, My Schedule, My Meetings (highlighted), My Messages, and Need Help?. The main content area is titled 'My Meetings' and features a calendar view for May 09, 10, and 17, with an 'Additional Dates' button. Below the calendar are filters for 'All Meetings', 'Incoming', 'Pending', 'Confirmed', and 'Cancelled', along with an 'Export Data' button. The main section shows a 'MEETING REQUEST' in 'Pending' status for 'Monday, 09 May 2022'. The meeting details include the title 'Test', time '07:15 - 07:30 | America/New_York', and local time '13:15 - 13:30 | Local time'. It is an 'online' meeting. Participants are listed as 'Olivia Smith, Programme Manager' (from your side) and 'Florence Brown, Project Manager' (from third side). A 'STARTS IN' timer shows 4 weeks, 4 days, 02 hours, and 03 minutes. Action buttons for 'Reschedule' and 'Cancel Meeting' are visible.

Starting your virtual meeting

The My Meetings page is also where you'll go to join your meetings.

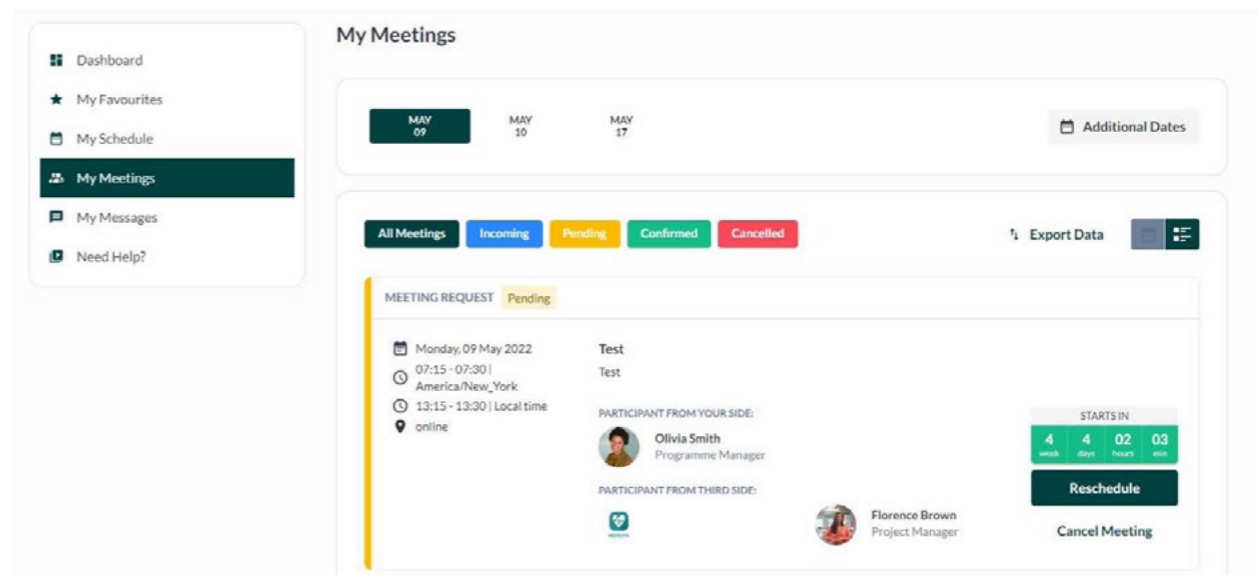

For each of your meetings you'll see a countdown clock and a greyed out Join button as seen here:

When it's time for a meeting, the Join Room section will turn green, and you can simply click it to join your meeting.

On the next screen, click Continue so a quick microphone and camera check can be done, then on the next screen click Join Room.

Please note, you can join up to 10 minutes before the start of your meeting. The meeting room will also stay open should the meeting run over.
