

Visitor How-to Guide

Discovering Exhibitors & Products

Browse exhibitors & products

Click on **Discover Products & Suppliers** in the top navigation.

On this page you can browse all the exhibitors and products at the event. Click on any of the exhibitor profiles to see more detailed information.

Use the filters to narrow down your search

Type the company name or product name into the search bar, then press enter to view your search results.

Switch from the exhibitor profile view to a detailed list view or a simple list view.

Click the star icon to save a company or product to your list of favourites for easy access later. You can find your favourites clicking My Event in the top navigation bar, then My Favourites in the right menu.

The screenshot displays the PHARMAPACK website interface. On the left, a 'FILTER BY:' sidebar contains a search bar and several dropdown menus: Hall, Exhibitor Categories, Product Categories, Country, Tags, and Innovation Gallery Products. The main content area features a 'Products' tab, a search bar, and a navigation bar with letters A through N. Below this, three product cards are shown, each with a star icon in the top right corner. The first card shows two syringes and is titled 'Daikyo Crystal Zenith® S...'. The second card shows several glass vials and is titled 'Daikyo crystal zenith® vi...'. The third card has a 'No Image' placeholder and is titled 'Daikyo® ruv and rsv sto...'. Each card has a blue bar at the bottom with the text 'WEST PHARMACEUTICAL SER...'. A '57 Products' indicator is visible in the top right corner of the main content area.
