Sessions & Speakers

Find & add sessions

At Pharmapack Online you have access to industry insights and unrivalled knowledge all in one place. Benefit from our online webinars and find the conference sessions that interest you in the Content Agenda page.

Here you can:

- Search for sessions relevant to you using the search bar.
- View sessions by track, type, tags and days.
- Save time and see your personalised session recommendations.
- Add sessions to your personal schedule by clicking on the + My Schedule button at the bottom of the session card.

Join your session

You can join your scheduled sessions from the My Schedule page. To navigate here, click on your profile picture in the upper right then choose My Schedule under the Networking drop-down menu.

1. Navigate to the My Schedule page. Here you will see a countdown clock for each of your sessions.
2. When it's time for a session, the Join Room button will turn green. Click to join your session.
3. On the next screen, click Continue to do a permissions check.
4. Click Join Room.

Please note, you can join up to 10 minutes before the start of your session.

The screenshot displays the PHARMAPACK website interface. At the top, there is a navigation bar with links for Highlights, My event, Content agenda, Discover products & suppliers, Help, and Awards. On the right side of the navigation bar, there are icons for Messages, Notifications, and Profile. Below the navigation bar, the user's profile is shown, including a profile picture and the name Prachi Pant, TAM, Expoplatform. A 'Profile preview' button is visible. A dark blue sidebar menu is open, showing options like Dashboard, Recommendations, My favourites, My schedule (highlighted), My meetings, My messages, and Meeting ratings. The main content area is titled 'My schedule' and features a calendar view for February 01 and 02. There are tabs for 'ALL', 'MEETINGS', and 'SESSIONS', along with an 'Export Data' button. The first session listed is 'Simulating Injection Back Pressure in Design Verification Testing', categorized as a 'Learning Lab On-Site' and marked as 'Scheduled'. The session details include the date (Wednesday, 01 Feb 2023), time (10:10 - 10:40), location (Europe/London), and language (English). A speaker icon indicates audio is available. A 'Show Floor: Booth M20' button is also present. A 'Starts in' countdown timer shows 3 weeks, 1 day, 16 hours, and 41 minutes remaining. The second session listed is 'Editorial Session On-site', also marked as 'Scheduled'. The title 'Industry Trends Impacting Pharmaceutical Packaging' is partially visible at the bottom.
