MESSAGE

I am happy to learn that The Synthetic & Rayon Textiles Export Promotion Council is hosting its pioneering Reverse Buyers Sellers Meet - SOURCE INDIA 2020 5.0 Virtual during 7th-9th September. The event which was first held in 2010 has since 2016 been an annual event and each year has crossed many a milestones. This year due to the ongoing circumstances the event is being held **online**.

Around 100 Exhibitors of MMF textile products will be interacting with about 250 buyers from 50 countries. This unique event has been highly successful as it gives both the Exhibitors and buyers an opportunity to interact and discuss business under a single platform. I am confident that like in the past events, this year too Exhibitors will be successful in clinching business deals in the comfort of their workplace.

My congratulations and best wishes to the Council for the success of the event.
